How to organise a sweepstake

1. Set a fee to take part (we recommend between £2–£5).
2. Decide what % of the winnings goes to the Cystic Fibrosis Trust (we suggest 70%).
3. Each participant can play and pay for more than one country.
4. Draw the countries at random or let your players choose.
5. Write down the participant for each country on the master copy.
6. Enjoy watching the Eurovision acts and the person who picks the winning team wins the sweepstake.
